AIDING TOTS—Members of the Alpha Delta Pi alumnae are placing coin containers for the Crippled Children's Society in the stores and businesses of the area. Among those aiding this fund-raising activity are (left to right) Mmes. G. Richard Reinhardt and Dan Dunbar.

Alphas to Aid Crippled Tots

Starting this week the members of Alpha Delta Pi South Bay Alumnae Association, among other groups, will be distributing coin containers for the Crippled Children's Society in the stores and businesses of the area. The crippled children's Society's main fund raising activities are it's sale of Easter Seals and through donations to coin containers. Last year over \$1060 was collected in the South Bay area by containers alone. The Crippled Children's Society is the main philanthropy of Alpha Delta Pi. Members of the group ask that each person look for these containers and give generously.
